Boston Harbor Campus
McCormack Hall

*Fifteen Years
& Moving Forward*

*Stellwagen Bank National Marine Sanctuary,
Boston Harbor Islands and the harbor cleanup effort*

Cost: \$45
includes
lunch and field trip

Extra whale watch tickets -- \$25

Visit the MME Web site at: www.massmarineeducators.org

Sponsors: Massachusetts Marine Educators, Massachusetts Water Resources Authority, Boston Harbor Islands National Park Area, University of Massachusetts/Boston, Mass Ocean Coalition, and Stellwagen Bank National Marine Sanctuary

Celebrate milestones in the history of Boston Harbor and Massachusetts' ocean environment, including the 15th anniversary of Stellwagen Bank National Marine Sanctuary, the 10th anniversary of Boston Harbor Islands National Park Area, and steps towards harbor cleanup.

The day will feature dynamic speakers, hands-on workshops, and an exciting field trip -- a whale watch to Stellwagen Bank or a Harbor Islands tour (to be determined by weather and sea conditions). Please join us at the University of Massachusetts, Boston campus overlooking the beautiful and now much cleaner harbor. The program will run from 9am-5pm.

Keynote Speaker: Dr. David Wiley, whale scientist and research coordinator of Stellwagen Bank National Marine Sanctuary
